OBJECTIVE

Enthusiastic Computer Science student with knowledge of Java, Python, SQL, and web technologies. Skilled in problem-solving, communication, and teamwork with hands-on experience in software-based academic projects. Seeking an opportunity at Shnoor International LLC to contribute technical skills, learn modern technologies, and support innovative business solutions.

EDUCATION

Degree	Specialization	Institute	Year	CPI
B.Tech	Computer Science & Engineering (AI-DS)	Vel Tech University	2024–Present	8.89 CGPA
Intermediate	MPC (Mathematics, Physics, Chemistry)	SR Junior College	2022–2023	96%
SSC	–	Ratnam English Medium High School	2021–2022	98%

INTERNSHIP

Python with AI & ML Intern Jun–Jul 2025

- Worked on Python programming and basic AI/ML concepts
- Performed data preprocessing and logical problem-solving tasks
- Improved collaboration and communication skills through team assignments
- Gained practical exposure to software development and project implementation

PROJECTS

Student Management System using Java Jan–Mar 2026

- Developed a Java-based Student Management System using Core Java and OOP concepts
- Implemented CRUD operations and file handling for efficient student record management
- Improved backend development and problem-solving skills through application development

Intelligent Mail Sorting System Jan–Mar 2025

- Developed a mail classification system using logical filtering techniques
- Categorized emails into Work, Social, Promotions, and Spam categories
- Built a simple dashboard interface for workflow automation and email display

TECHNICAL SKILLS

Programming Languages: Java, Python, SQL

Core Skills: Problem Solving, Object-Oriented Programming (OOP), Analytical Thinking

Web Technologies: HTML, CSS, Node.js

Tools: GitHub, VS Code, Google Colab

Database: MySQL

Soft Skills: Communication, Team Collaboration, Adaptability, Time Management

CERTIFICATIONS

- Node.js Certification
- AWS Academy Graduate – Generative AI
- Infosys Springboard – Java Programming
- Infosys Springboard – Computer Networking

STRENGTHS

Quick Learner, Adaptability, Strong Logical Thinking, Team Collaboration, Positive Attitude, Problem Solving Skills
